The American Urological Association (AUA) is proud to announce the [2023 Mexico Visiting Scholar Program](#). This exciting AUA program provides one urologist the opportunity to interact with colleagues at a host institution in the United States and attend the AUA's Annual Meeting in Chicago, Illinois, April 28 – May 1, 2023.

How does the program work?

The program is designed for one **Mexican urologist** to visit a U.S. host institution in the spring of 2023 for two to four weeks, and attend the AUA Annual Meeting in Chicago, Illinois. During the visit, this scholar will have the unique opportunity to observe urologic surgeries and procedures (no hands-on), and attend clinics and staff activities. The scholar will be provided a stipend to support his or her stay.

Who is eligible?

To be considered for the AUA Mexican Visiting Scholar Program, you must:

- be a practicing urologist in Mexico
- be a member of the local or national urological organization in his/her country
- be a certified practicing urologist
- be 45 years of age or younger (at time of application)
- demonstrate competent command of the English language
- be able to proactively assist in obtaining visa (as needed) and communicate consistently via email with AUA staff
- be able to travel to the United States for up to 5 weeks

Don't miss this opportunity for the experience of a lifetime!
