COURSE OBJECTIVES

At the conclusion of the program, the participant should be able to:

- Identify and assess the latest guideline-based surgical and medical management strategies for urologic malignancies, including kidney, prostate, bladder, penile, and testis cancer.
- Examine and discuss contemporary benign urologic conditions in the field of female pelvic health, reconstruction, stone disease, benign prostate hyperplasia, pediatric urology, male infertility, and prosthetics.
- Interpret the techniques of various surgical procedures and important controversies in the field of urology that are relevant to daily practice.

Accreditation Statement

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of *22 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The following may apply *22 AMA PRA Category 1 Credits™* for license renewal:

Physician Assistants: The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credits™* accredited courses are acceptable CME requirements for recertification.

Registered Nurses may report up to 22 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.
